THE BUILD

47 UPGRADES IN 5 SYSTEMS

CHASSIS AND BODY

11 UPGRADES

- Bare-chassis rebuild**
Fully taken apart, down to the bare frame.
- Rust removed, chassis coated**
Repaired where needed, then sealed against water, salt and extreme temperatures.
- Stainless steel hardware**
Every nut and bolt replaced. Nothing left to seize or rust.
- Repaired or replaced inside and out**
Nothing on the car was left as found.
- Raptor HD paint, whole car** RAPTOR
Textured, scratch-resistant finish for all conditions. Trail scrapes barely show.

- Wider wheel arches**
Cover the wider stance and the bigger tires.
- A-bar and heavy-duty front and rear bumpers**
Metal bumpers front and rear, A-bar up front.
- 8 mm aluminum steering guard**
Protects the steering arms on rocks.
- Heavy-duty rock sliders**
Protect the sills, and double as a step.
- New exhaust pipes**
Replaced as part of the rebuild.
- New mudflaps**
Keep the body and the cars behind you clean.

ENGINE AND DRIVETRAIN

8 UPGRADES

Rebuilt 2.5 TD5 engine

The five-cylinder diesel, fully rebuilt.

Stage 1 tuning box and turbo boost box

More power and torque than stock.

Rebuilt gearbox OEM

Rebuilt with original-spec parts.

New 1:1.2 transfer box

Lower revs at highway speed. Quieter, more relaxed cruising.

Heavy-duty half-shafts and HD joints ASHCROFT

The classic weak point of Defender axles, upgraded.

Limited-slip diffs, front and rear ASHCROFT

Power goes to the wheel with grip, not the one spinning.

Every axle seal and bearing CORTECO · TIMKEN

All replaced, not just the worn ones.

New belts

Fresh belts throughout.

SUSPENSION AND OFF-ROAD

9 UPGRADES

2 in lift, medium-duty springs BRITPART

More ground clearance for rough tracks.

Double strut system

Two off-road struts per corner keep the wheels planted on broken ground.

Polyurethane bushes POLYBUSH

Firmer, longer-lasting than rubber.

30 mm steel wheel spacers

A wider, more stable stance.

Rebuilt steering box and HD steering rods

Tight steering and stronger links.

5 x 16 in Limited Series alloy wheels GENUINE LAND ROVER

Original Land Rover wheels, including a full-size spare.

5 x new mud-terrain tires HANKOOK MT

Brand-new on all five wheels.

12,000 lb winch with kinetic rope

Self-recovery for when the track wins.

Safari snorkel

Air from roof height for deep water crossings.

CABIN AND TECH

14 UPGRADES

Fully rebuilt interior

Stripped and rebuilt, then redone a second time to get it right.

Leather and Alcantara throughout

Leather-trimmed door cards, Alcantara-lined roof, leather and Alcantara details.

New Alcantara headliner

The inner roof remade from scratch.

Front sport seats, leather rear seats

Support up front, leather in the back.

New carpets and heavy-duty mats

Fresh floor coverings throughout.

Dynamat throughout DYNAMAT

Sound and heat insulation for a noticeably quieter cabin.

Rebuilt dashboard with Double-DIN Android touchscreen

Navigation, media and phone on a modern screen.

Additional radio with CD player

A second unit for radio and CDs.

Upgraded sound system with subwoofer

Custom subwoofer box under the armrest.

Reversing camera

Easier parking for a long truck.

Rebuilt air conditioning

The whole system, rebuilt.

New electric windows

No more winding.

New light and wiper controls

New switches for the lights and wipers.

Smaller sport steering wheel and new gear lever knobs

Sharper steering feel, fresh controls.

LIGHTING AND GEAR

5 UPGRADES

LED headlights, blinkers and stop lights

WIPAC

A full LED conversion.

LED side blinkers

Newly added.

High-output LED light bar

Proper light for night tracks.

Additional auxiliary lighting

Extra lights for off-road and bad weather.

Custom 110 roof rack

Custom-fitted for extra gear.
